POSI-STEP

Vinyl covered steps are a great addition to your pool, making it much easier to enter and exit the pool as well as providing a comfortable place to gather and relax. Craftworks now offers textured vinyl patterns as the NEW standard for vinyl covered steps that provide better slip resistance than traditional vinyl.

Posi-Step vinyl is available in all of our Craftworks vinyl liner patterns and will come automatically on vinyl covered step, bench, sunshelf and tanning ledge orders unless otherwise requested.
